---

Thank you, David, for assisting and speaking on June 26th and thank you, Susan, for accepting our invitation to speak on June 19th for Anaheim First Neighborhood Leadership Council. We will be in touch very soon to share more about that evening, look forward to meeting you, Susan.

Respectfully,

**Leslie Swan**

Hi Leslie. Susan Kim, Principal Planner, has graciously offered to join your group on June 19 and make the presentation. She will do a great job.

**Subject:** Re: Inviting you to speak again to Anaheim First members

Hi David, thank you for accepting to speak to the Anaheim First Neighborhood Leadership Council on June 26th. These are additional members, 10 for each district. We offered two dates for convenience purposes. Since we are splitting up the group in two sessions is there anyone in your office that could walk through the presentation you shared with us last September and Q and A's? In our meeting here with the consultants, there was mention that many community members do not understand zoning and planning. We thought your presentation to Anaheim First Advisory Board in September is one that is on point with the process of the upcoming assessment. If you could assist us with someone from your office on the 19th it would be greatly appreciated. We are looking to have the meeting here at the Chamber 2099 S. State College Blvd. Suite 650, Anaheim at 5:30 pm. If there is any change on the location we will reach out to you. Enjoy your family reunion!

Respectfully,

**Leslie Swan**

Hi Xochitl. I am out of town at a family reunion on the 19<sup>th</sup> but available on June 26. Does it work if I only attend on the 26<sup>th</sup>?

Sincerely,

**David Belmer**

David,

I tried leaving you a voicemail on your office line but I wanted to make sure you also have my email. My name is Xochitl Medrano and I am reaching out to you on behalf of Leslie Swan and Kris Murray with Anaheim First.

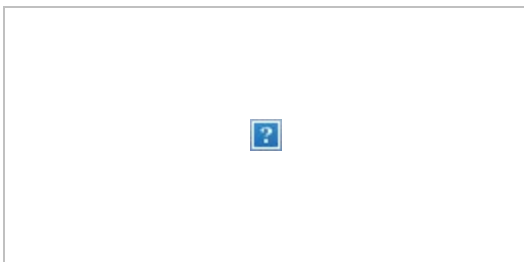

We would love for you to speak again to Anaheim First members at our Onboarding meetings to talk about how the city's Planning & Building Department operates and what residents should know about zoning. We are hoping you are available on **June 19th** and **June 26th** (both at 5:30 pm at the Chamber).

If you can let us know at your earliest convenience that would be most helpful. Also, if you cannot attend and would be able to send someone that would be great too!

Thank you.

-Xochitl
